Welcome to 1st Grade!

A Note from your Teachers

You have completed 2 whole weeks at OVCA! How exciting! It has been so much fun getting to know you and your families. You all have done such a great job learning the tools last week! This week you will start to settle into your classes and get a good routine going.

Math

In Math the next two weeks you will work on skip counting by 2's to 100, comparing numbers, ordering numbers from greatest to least and least to greatest, telling time on an analog clock, and arranging and describing positions of objects!

Reading

In reading the next two weeks you will work on consonant blends, wh, ck, tch digraphs and trigraphs, reading and spelling sight words, identifying sounds in words, and identifying words that rhyme.
