September 2018

Welcome to 1st Grade!

A Note from your Teachers

Can you believe it is already September! The last few weeks have been amazing. Getting to know each student and watching them become acclimated to online learning so quickly has been encouraging. Remember the best mindset to have is a growth mindset- Change your words to change your mindset.

Math

In Math the next two weeks you will work on using direction words and become familiar with the parts of a number sentence while practicing addition.

Reading

In reading the next two weeks you will review and work on sh, ch, th, wh, ck, tch digraphs and trigraphs. You will also practice using ending consonants nd, ft and lk, reading and spelling sight words and identifying sounds in words.
