## Our Learning

**Math** In live instruction and in the OLS, we will be continue to work with place value to multiple and divide by 10, 100, and 1,000. We will then translate this skill to multiplying 3 digits by 1 digit and 2 digit by 2 digit numbers.

**Reading** In live instruction and the OLS, students will distinguish how key details from a text support the main idea of the passage.
